FREIGHT CHARGES BY STATE

Freight Multiplier by State
Minimum freight charges apply, please contact your account manager for details.

Freight Zone	1	2	3	4	5	6
Freight Multiplier by Zone	8.25%	7.75%	6.5%	6%	5%	3%
Minimum Freight Charge by Zone	\$350	\$300	\$300	\$300	\$300	\$180

OUR FREIGHT POLICY

Grand Rapids Chair will coordinate freight and apply freight charges based on the zones listed in the freight map. Freight charges are calculated as a percentage of total List Price (not net). If your order exceeds \$15,000 List Price, please contact customer service for a quote, as the map may not apply for larger orders. Minimum freight charges vary based on location, see explanation below.

Should the purchaser choose to provide their own transportation, a \$100 net per order handling fee will be applied. The purchase order must clearly state **THIRD PARTY with contact information**. Grand Rapids Chair will notify the customer when product is ready for pick up and the customer is required to arrange for pick up within 2 days. Failure to pick up goods within 2 days will result in additional daily warehousing fees.

HOW TO CALCULATE FREIGHT

Take your total List Price and multiply by the Freight Multiplier by the Zone the product is shipping into. This will give you the freight charge for your order. If this calculated rate does not meet the Minimum Freight Charge (shown above), charges will be applied. Please defer to Minimum Freight Multiplier by Zone for your freight charge.

For example, if a customer orders one chair and the List Price is \$400 and the product is shipping to Michigan, the calculated rate using the chart would be $(\$400 * 3\% \text{ or } 400 * .03)$. This equals \$12, which is below the minimum charge of \$180. The minimum charge of \$180 would then be added to the total order.

EXCEPTIONS & ASSISTANCE

For assistance or to submit a request for quote, please call 616.774.0561 or contact your account manager. The freight map calculator does not apply to communal-style tables and benches. These products include the Dylan Communal Tables and Dylan Benches. For these products, please call for freight quote.

YOUR COMMERCIAL FURNITURE PARTNER

Grand Rapids Chair is an American furniture manufacturer dedicated to creating high-quality, design-forward seating & table solutions for commercial spaces. From restaurants and hospitality spaces to education and hospital cafeterias, campus gathering places, and today's open offices, our furniture is designed to nourish connection and creativity for spaces that bring people together.

We are a second-generation family business that started in Grand Rapids, Michigan, and still call West Michigan home today. Currently, more than 150 employees work in our 147,000 square feet manufacturing facility, dedicated to delivering friendly service and fast lead-times.

OPERATIONALLY EXCELLENT

Our approach to creating quality and durable commercial furniture is unique; we are operationally excellent. Meaning, we balance cost, service requirements, and quality to meet the needs of each customer. In other words, it's not a one-size-fit all approach.

We also balance hand-crafted quality and aesthetics with fully automated machinery and processes. From working with designers on a custom product to producing large volumes with short lead times—our unique approach allows us to do both, and to do both well.

DURABILITY & QUALITY

We specialize in durable and quality products designed for high-traffic spaces. While many commercial furniture companies are racing overseas for products, we choose to build our products in Michigan, using high quality, local materials along with American engineering and manufacturing techniques. Products are tested to meet or exceed BIFMA standards and offer our Grand Rapids Chair warranty as outlined below:

- Chairs and Tables: One year free from defects and workmanship; 10 years structural integrity
- Outdoor Chairs and Tables: One year free from defects and workmanship; 3 years structural integrity
- Fabric: Subject to the warranty of the textile company
- Laminate Tables: Subject to the warranty of the laminate company

UPHOLSTERY INFORMATION

UPHOLSTERY

Prices are based on a solid color 54" wide upholstery. Any upholstery with 3" or greater repeat, length or width, which requires pattern matching, add 10% to overall list price. Thread color will be chosen by factory to match the upholstery as closely as possible, unless otherwise specified.

GRADED-IN PRICING

We have partnered with some of the best fabric partners to offer you easy access and pricing of high-performance textiles. Visit our website at grandrapidschair.com to see our fabric partners and graded-in pricing program.

CUSTOMER'S OWN MATERIAL (C.O.M.) AND CUSTOMER'S OWN LEATHER (C.O.L.)

Please consult the factory prior to placing your C.O.M. or C.O.L. order. We may be able to supply materials at a lower cost due to our volume discounts with the textile mills. All C.O.M. materials should be sent in rolls only, folding can cause adverse and irreversible deformations to some materials, especially leather.

FABRIC APPROVAL PROCESS:

Fabrics for Harper and Full Hurdle must be tested and approved by Grand Rapids Chair prior to production to ensure it meets our high standards for quality. There is no charge for the fabric testing process. A sample swatch must be supplied with the order along with the name of the supplying textile company and a description of the material - including fabric name, number, color and any applied treatments (backing, etc.). We cannot accept responsibility for costs incurred for replacement material if the mill sends the incorrect fabric. Even after preliminary approval, we reserve the right to reject fabrics if necessary when the quality is not satisfactory.

FOR FABRIC APPROVAL, SEND TO:

Attn: COM Testing Department
1250 84th Street SW
Byron Center, MI 49315
please tag with your purchase order/project ID

All C.O.M. yardage requirements in this price lists are based on 54" wide roll. Yardage is approximate. Add 10% to the yardage requirements if striped or patterned materials are specified, if pattern requires matching, or if width of material is less than 54" wide. For striped, patterned or unique designs, directions on upholstery application must be provided. If no directions are stated on the order or in a subsequent "confirmed and acknowledged" document, we will upholster the product in what we deem to be the most appropriate manner. We assume no responsibility thereafter.

Grand Rapids Chair Company assumes no liability as to the flame retardant qualities of a C.O.M.

For orders with C.O.L., add 10% to the list price of C.O.M. in our price list. Please consult your Account Manager for COL square footage requirements. Square footage requirements are based on an average hide size of 45-50 square feet of clean, usable leather. Irregularities in grain, natural marks or variations in color are to be expected and are normal characteristics of natural luxurious leather, making each piece unique.

Acknowledged ship dates are dependent on time receipt of COM or COL. To hold an acknowledged ship date, we must receive the COM/COL within 3 weeks of the scheduled ship date. Delays in receiving the material will result in the rescheduling of production. We maintain the right to refuse the use of any customer-supplied material or leather that is not suitable due to pattern, stretch, weight or workability.

All C.O.M. must be shipped prepaid and clearly marked with your company name and purchase order number.

WOOD COLOR & SPECIES

Each species of wood has an innate base color, ranging from white to pinkish, yellow to brown and this impacts the way that stains and paints appear when applied. We primarily work with Beech and Maple wood species for our chairs and table tops. Wood is a natural material and variation will occur in color, grain characteristics and texture. Over time, wood will change in color from exposure to light. This color change is most noticeable with a Natural Finish.

CARPET/SOFT FLOOR SURFACES

- A metal glide works well since it does not catch on the pile. If carpeted area is wet-cleaned frequently with furniture left in place, rusting could occur.
- A plastic/nylon glide works equally as well on soft or carpeted surfaces.

HARD RESILIENT FLOOR SURFACES

Concrete, ceramic or porcelain tile, traditional VCT (vinyl composite tile) and hardwood, etc.

- Plastic/nylon glides are recommended as the most versatile – across soft and hard floors. Over time, dirt can become embedded and therefore floors should be regularly cleaned.
- Felt will provide the easiest and most silent movement and works well on floors that are not wet cleaned. However, felt naturally hardens over time and this coupled with dirt than can embed itself into felt over time, will scratch floors.
- Metal is not recommended on vinyl floors that are waxed as they will leave streaking.

SOFTER RESILIENT FLOOR SURFACES

Most LVT (luxury vinyl tile) manufacturers have warnings against dragging furniture across the floor. While the surface does not scratch, the cushioned backing allows for indentations in the surface which will appear as scratches in certain angles/light. While plastic/nylon glides are preferred, it can still mar the surface of LVT. The LVT manufacturer's instructions for care and use must be followed.

STEEL SEATING

- Most steel seating solutions have plastic/nylon glides – suitable for both soft and hard surfaces.

ALUMINUM SEATING

- Standard with premium swivel metal glides that have noise dampening feature. Other material glide options can be quoted through specials.

WOOD SEATING

- Metal glides are standard and recommended for soft or carpeted surfaces.
- Premium metal glides have noise dampening feature and are recommended for soft or carpeted surfaces.
- Premium felt glides are recommended for hardwood and other delicate surfaces that are not wet cleaned.
- Premium plastic glides are recommended for both hard + soft surfaces.

TABLES

ABOUT OUR TABLES

Our table line includes a wide variety of standard materials, shapes, sizes, and edge treatments. We offer both indoor and outdoor commercial tables. Most of our tables are built for commercial indoor use only. Using a combination of our CNC laser-cutting machinery and master craftsman, choose from a large selection of communal tables to simple pedestals. For table sizes, shapes, and materials not listed in this Price List, please contact customer service.

Our table tops and bases are sold as one unit. While tops and bases can be purchased separately, to ensure the best quality product and fit, we suggest specifying complete tables. For most pedestal tables, tops are shipped separately from bases but are pre-drilled for easy installation into their accompanying bases.

WOOD TOPS

We use Maple, Hickory, White Oak, Walnut, or Mixed Woods for our solid wood tops. For each solid wood table, we sand and stain every square inch by hand. We then enhance the grain with expertly applied finishes that ensure long-lasting beauty. Maple table tops are available in all standard finishes, except black no grain and white no grain. Hickory, White Oak, Walnut, and Mixed Woods are only available with a natural, clear coat finish. If you specify a finish other than natural on any of these other species a custom match fee will be applied to your order. Because wood is a natural material, color may vary slightly from one piece to another, but every effort is made in the factory to match pieces consistently. Standard thickness for wood tables is 1.5".

LAMINATE TOPS

We use industrial-grade, low-formaldehyde particle board for the cores of our laminate table tops. Standard face for laminate top is .05" with a phenolic resin backer for balanced construction. Tops can also be specified with custom-designed laminates or certain high-performance grades for chemical resistant surfaces, fire-rated surfaces, and exceptional high-wear surfaces. Contact customer service for details and pricing.

Pricing for laminate tops is based on Wilsonart -60 Matte and -38 Fine velvet finishes from the "standard, in-stock" collection. Other laminates are available, and we work with most major laminate providers : Formica, Pionite, Nevamar. Please call factory for pricing and lead-time information.

STONE & SOLID SURFACE TABLE TOPS

Please contact our Specials Department if you would like a quote on Corian and other solid surfaces.

BASES

All of our table bases are made of either high-strength, structural steel or heavy-duty cast iron. Columns on both are heavy-wall tubes made of 14-gauge steel. All connections are hard welded using state-of-the-art machinery and a deep-penetration welding process that maximizes strength.

Bases are cleaned and primed before paint is applied via an automotive-grade powder coat system that assures even and thorough coverage. The environmentally friendly epoxy/polyester finish is baked in to create a beautiful, durable, color-rich surface.

Cast iron is produced by pouring molten iron into a mold and naturally cooling, which can create pitting in the metal. Pitting in the metal becomes visible when the iron is finished with a high gloss or highly saturated pigment. For a sleek look, we recommend using black or textured finishes on our cast iron bases. Finishes that work well include Rugged Brown, Ultra Bronze, Satin Tex, Ink Black, or Black Wrinkle.

Labor saving attachment provides for easy assembly and can save you hours on large installations.

TABLES INFORMATION

TOLERANCES

Standard tables are 30" high. Counter height tables are 36" high. Pub height or bar height tables are 42" high. All dimensions listed for tops and bases are nominal and may vary slightly according to base configuration, edge profile selected, and any added accessories. Communal tables are true to size as noted in the dimensions with each product.

For example, if a table is listed in the price list as a 24" length, then the actual dimensions will vary just slightly depending on your selected edge profile. Please see table below for nominal dimensions and actual dimension comparisons.

BASE OR TOP ONLY PURCHASES

Customers purchasing table base(s) without a top OR top(s) without a base should note that we cannot and do not guarantee the strength, stability, and performance of the completed table with a parts from a different source. Grand Rapids Chair tables are not meant to be sold as separate parts, but as whole products. Furthermore, if the customer purchases bases and table tops as separate parts, we will not provide construction and installation instructions for purchased parts to the customer, contractor, or installation crew.

Depending on the model, most tables will allow you to add extra options like foot rings, purse hooks, and even power and electrical units. Below are our table options and accessories.

Power & Electrical Planning

Power and electrical can be specified on either wood or laminate Dylan Tables. One or two power modules may be used per table. **Each module consists of two power and two USB ports finished in a Silver Anodized Aluminum with a white trim.** Each module also includes a wire management system for a three-prong cord for 120 Volts at 120" long. Wire management is designed to neatly encase cords and is securely placed on the inside of one leg. For two power units, there will be two separate cords and encasings, each placed securely on the inside of each leg. The wire management is finished in Silver Anodized Aluminum.

There are two standard options for module placement. For one module, the module will be placed in the center of table top. For two modules, modules will be placed at both ends of the table top, equal distance from the edge of the table for a symmetrical effect. Please note, requests for alternate placement of modules will extend lead times and may not be honored due to design limitations. For all power and integration, please call for quote.

CARING FOR YOUR PRODUCTS

SOLID WOOD TABLE TOPS

Clean with a solution of liquid dishwashing detergent, warm water, and a damp rag. Dry with a clean, non-abrasive cloth. There are no additional recommended cleaning steps or escalation for staining with finished wood products. Any other cleaning method can damage and deteriorate the finish.

Natural wood products are inherently susceptible to damage from radical changes in heat and humidity; care must be taken to ensure that they are in a temperate environment. When storing solid wood furniture, note the following guidelines:

- Do not store products in trailers.
- Store products in areas that simulate indoor, controlled temperatures (60° F to 90° F).
- Store products in areas that maintain constant, indoor and controlled humidity levels.
- Allow solid wood tables time to acclimate to the conditions prior to installation.

Please note, scratches, dings, and dents are common issues that occur to tops in our busy world. Grand Rapids Chair guarantees the stability of our topcoat finish on solid wood tables for one year when properly taken care of and used. This use does not extend to unfinished plating or ceramics, issues with other dining ware or set pieces, or to customer abuse. We will accommodate warranted work on finish failures. Please see our Warranty for further information.

LAMINATE TABLE TOPS

The recommendations for laminate in this section apply only to the laminate surface itself. When cleaning the tables, keep all recommended products away from the table edges. These products can successfully clean the laminate but may damage the table edges. Please see the Table edge section below for care recommendations based on the type of edge you have.

To maintain the beauty of decorative laminates, clean with a solution of liquid dishwashing detergent and warm water and dry with a clean, non-abrasive cloth. This should remove most surface stains. On high-gloss laminates, this solution may leave streak marks. These can be removed using glass cleaner with ammonia and a dry, clean, non-abrasive cloth.

For stubborn stains, use a household cleaner such as Formula 409®, Fantastik®, Windex®, or diluted Simple Green®. It may be necessary to use a soft bristle brush with light scrubbing to assist in removing the stain. A soft rag and Acetone (Nail Polish remover) can be used as well.

TABLE EDGES

Edgeband, vintee, or laminate overlay edges should be cleaned with a solution of liquid dishwashing detergent and warm water. Dry with a clean, non-abrasive cloth. For stubborn stains, try rubbing alcohol with a clean, non-abrasive cloth.

Wood edges should be cleaned with a solution of liquid dishwashing detergent and warm water. Dry with a clean, non-abrasive cloth. This should remove most stains from the surface.

METAL - INDOOR

Wipe surface with a mild soap or liquid dishwasher detergent and warm water solution. Disinfect the surface with a non-abrasive household cleaner like 409®, Fantastik®, Windex®, or diluted Simple Green®. Wipe dry with a clean, soft cloth.

Never let cleaning or disinfecting products dry onto the furniture surface. This can weaken and damage the epoxy finish leading to chips and scratches.

HIGH-DENSITY POLYETHYLENE (HDPE) OUTDOOR TOPS

HDPE tops can be cleaned with a solution of warm, soapy water. A soft-bristled brush or foam eraser sponge can be used for stubborn stains and scuffs.

METAL - OUTDOOR

If products are kept near a marine environment or in areas with swimming pools, regular cleaning with biodegradable liquid soap and water will help protect the furniture from rapid deterioration that chlorine and salt may cause. Maintenance is recommended every 3 months in these aggressive environments. Never use a pressure/power washer on outdoor furniture.

Steel may develop small rust spots over time in places where damage has occurred - such as chipping, scratches, or abrasions. Warranty does not cover those parts of the products which are exposed to abrasion during use.

Minimum Back-to-Back Spacing - 12"
 Consult local fire codes for legal requirements.
 Spacing requirements will vary depending on selected chair width.

TERMS & CONDITIONS

1. THE AGREEMENT

All sales by GRAND RAPIDS CHAIR COMPANY or its affiliates (the "Seller") shall be governed by the following terms and conditions of sale. The agreement between Seller and Buyer with respect to the sale of Goods described in the Seller's quote (the "Goods") shall consist only of the terms appearing herein and in the Seller's quote or proposal and any attachments, exhibits and supplements (together, the "Contract") together with any terms mutually agreed to in writing hereafter by Seller and Buyer. These terms and conditions of sale prevail over any of Buyer's general terms and conditions of purchase regardless whether or when Buyer has submitted its purchase order or such terms. Buyer's issuance of a purchase order constitutes its acknowledgment that Seller's quote is the first document exchanged, containing the essential elements of, and therefore constitutes an offer. Seller objects to and shall not otherwise be bound by any additional or different terms, whether printed or otherwise, in Buyer's purchase order or in any other communication from Buyer to Seller. The Contract shall be for the benefit of Seller and Buyer and not for the benefit of any other person. The Contract and these terms comprise the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. No statements, recommendations, or assistance by either party has been relied upon by either party or shall constitute a waiver by either party of the provisions hereof. Notwithstanding anything herein to the contrary, if a written Contract signed by both parties is in existence covering the sale of the Goods covered hereby, the terms and conditions of said Contract shall prevail to the extent they are inconsistent with these terms.

2. NO IMPLIED ACCEPTANCE

Notwithstanding any contrary provision in Buyer's purchase order, no action by Seller such as delivery of Goods, the rendering of services or the commencement of work on Goods to be specially manufactured for Buyer, will be deemed an acceptance by Seller of any purchase order from Buyer with terms in addition to or different than those contained in this Contract.

3. TERMINATION OR MODIFICATION

In addition to any remedies that may be provided under these terms, Seller may terminate the Contract with immediate effect upon written notice to Buyer, if Buyer: (i) fails to pay any amount when due under the Contract; (ii) has not otherwise performed or complied with any of these terms, in whole or in part; or (iii) becomes insolvent,

files a petition for bankruptcy or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization or assignment for the benefit of creditors. The Contract may be modified only upon Seller's written consent. If all or part of the Contract is terminated, in the absence of a written agreement with Seller to the contrary, Buyer shall pay a termination charge equal to expenses and costs incurred by Seller in the production of the Goods to the date such termination is accepted by Seller, including work in process, raw materials not usable by Seller for other purposes, and reimbursement for any commitments to third parties made in order to satisfy Buyer's requirements, plus a reasonable profit. In addition, any Goods completed on or prior to Seller's acceptance of such termination shall be accepted and paid for in full by Buyer.

4. TERMS OF PAYMENT

Payment terms are determined on an individual company basis. Payments shall be made to Seller at the address specified in the invoice. Pro rata payments shall become due as shipments are made. If any shipment is delayed by Seller at the request of Buyer, payment shall become due on the date when Seller is prepared to make shipment. Prices are F.O.B. Seller's shipping point unless otherwise stated in the Contract. Product orders for non-standard items, and orders that exceed normal credit limits require 50% down payments with the order. When any payment is not paid on or before its due date, Buyer agrees to pay a late charge on the sum outstanding, from the due date for receipt of payment to the actual date of receipt of payment, at a rate of one and one half percent (1.5%) per month on the unpaid balance. If a payment is not paid on or before its due date, Buyer agrees that Seller may also cease performance under any and all of Buyer's purchase orders whether or not related to the late payment. Whenever, in the judgment of Seller, the financial condition of the Buyer does not justify the continuation of production or shipment on the specified terms of payment, the Seller may require full or partial payment in advance. Buyer hereby grants to Seller a security interest in all tools, molds, and dies and other property of Buyer which come into the possession of Seller, as security for all sums owing from Buyer to Seller from time to time. Buyer hereby authorizes Seller to file such financing statements with respect to such property as Seller shall deem appropriate and Buyer shall take whatever other actions are requested by Seller to perfect and continue Seller's security interest in such property.

5. DELIVERY

Delivery dates are not guaranteed but are estimated on the basis of immediate receipt by Seller of all information to be furnished by Buyer, and all shipments are subject to Seller's

production schedule. Seller shall in good faith endeavor to meet estimated delivery dates. Seller shall not be responsible for claims for error in quantity, weight or number not made within ten (10) days after Buyer's receipt of Goods. Seller will not be liable for any delay in performance of this Contract or delivery of Goods when the delay is caused directly or indirectly by fire, flood, explosion, accident, riot, disease pandemics, acts of God, war, governmental interference, embargo, strikes or other labor difficulties, shortage of labor, fuel, power, materials or supplies, transportation delays, failure of tooling or the repair, maintenance or rehabilitation of the tooling, or any other cause or causes whatsoever beyond its control. In the event Seller is delayed in performance by Buyer or at Buyer's request, Buyer will be responsible for any resulting increase in cost, including handling, insurance and storage charges, and Seller may invoice Goods ready for shipment with payment to be made in accordance with the payment schedule as if the Goods had been shipped. In the event delay is caused by Buyer's failure to furnish information necessary for Seller's performance, Seller may extend the shipment date for a reasonable time in proportion to the period of Buyer's delay.

6. INSTALLMENT DELIVERIES AS SEPARATE SALES

Each installment of Goods to be delivered pursuant to this Contract is to be considered as a separate sale and Buyer shall be liable to pay the agreed price for each such installment without regard to any failure to deliver other installments, and Seller's breach or default in the delivery of any installment shall not give Buyer the right to refuse to receive any other installments.

7. TITLE AND RISK OF LOSS

Title and risk of loss passes to Buyer upon delivery of the Goods to a carrier. Buyer assumes all risk of loss of Goods upon such delivery by Seller to the carrier. Seller agrees to package the Goods, put them in the possession of a carrier, make appropriate arrangements for their transportation, and obtain and deliver documents necessary to enable Buyer to obtain possession of the Goods. Seller shall not be obligated to obtain insurance or to prepay transportation costs unless the Contract provides otherwise. Buyer agrees to pay all loading, unloading and other charges incidental to transportation. Seller will attempt to follow Buyer's shipping instructions but may make reasonable changes thereto. Whether or not Seller pays shipping charges, risk of loss shall pass to Buyer upon delivery of the Goods to a carrier. Breach of this Contract shall have no effect upon this provision controlling the risk of loss. Buyer hereby grants to Seller a lien on and security interest in and to all of the right, title and interest of Buyer in, to and under the Goods, wherever

located, and whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing. The security interest granted under this provision constitutes a purchase money security interest under the Michigan Uniform Commercial Code. Buyer hereby authorizes Seller to file such financing statements with respect to such property as Seller shall deem appropriate and Buyer shall take whatever other actions are requested by Seller to perfect and continue Seller's security interest in such property.

8. LIMITED WARRANTIES

Seller's Limited Warranty, adopted February 1, 2019, is hereby incorporated herein by reference.

SELLER MAKES NO OTHER WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY SPECIFICALLY DISCLAIMED. In particular, but without limiting the generality of the foregoing exclusion, (i) if the Goods are made according to buyer's specifications, Seller does not warrant adequacy of such specifications or that the Goods will perform in accordance with such specifications, (ii) if any goods furnished hereunder are made by any supplier other than Seller, Seller does not provide any warranty with respect to such Goods, (iii) Seller does not warrant that the Goods are in compliance with laws of any country, and (iv) if the Goods are modules or assemblies, Seller does not warrant design, design performance, durability or system integration of the modules, assemblies or any components thereof.

Seller's sole obligation under the warranties set forth in Seller's Limited Warranty will be limited to either, at Seller's option, replacing or repairing defective Goods or refunding the purchase price paid for such Goods previously paid by Buyer, and Buyer's exclusive remedy for breach of any of such warranties will be enforcement of such obligation of Seller. These warranties will not extend to ordinary wear and tear or Goods subjected to misuse, abuse, neglect, damage, improper transportation, improper storage, improper cleaning, accident or improper installation or maintenance or which have been altered or repaired by anyone other than Seller or its authorized representative. Seller shall not be liable on any claim for defective Goods, which is not made within thirty (30) days after discovery of defect.

9. REMEDIES AND LIMITATION OF LIABILITY

In the event Buyer claims Seller has breached any of its obligations under the Contract, whether of warranty or

TERMS & CONDITIONS

otherwise, Seller may request the return of the Goods and tender to Buyer the purchase price previously paid by Buyer, and in such event, Seller shall have no further obligation under the Contract except to refund such purchase price upon redelivery of the Goods. No Goods may be returned without Seller's written request. If Seller requests the return of the Goods, the Goods will be returned by Buyer unless otherwise authorized in writing by Seller. Seller reserves the right to inspect any claimed defect, repair defective Goods or install replacement parts, and perform any adjustment incident to satisfactory operation of the Goods. In the event Buyer claims Seller has breached any of its obligations under the Contract, whether of warranty or otherwise, and Seller has not delivered any Goods to Buyer, Seller may tender to Buyer the purchase price previously paid by Buyer, and, in such event, Seller shall have no further obligation under the Contract except to refund such purchase price previously paid by Buyer. The remedies contained in this and the preceding paragraph shall constitute the sole recourse of Buyer against Seller for breach of any of Seller's obligations under the Contract, whether of warranty or otherwise. In no event shall Seller be liable for loss of time, inconvenience, commercial loss, incidental, consequential or special damages, including without limitation, lost revenues, profits or recall expenses, nor shall Seller's liability on any claim for damages arising out of or connected with the Contract or the manufacture, sale, delivery or use of the Goods exceed the purchase price of the Goods previously paid by Buyer to Seller. Any warranty rights which Seller may have relating to any Goods provided by other suppliers will be assigned to Buyer upon request. Seller shall not be liable for failure to perform its obligations under the Contract resulting directly or indirectly from circumstances beyond Seller's reasonable control.

10. INDEMNIFICATION

Buyer shall indemnify Seller against, and hold Seller harmless from, any and all claims and liabilities, including reasonable attorney's fees, arising out of, connected with, or resulting from the Goods, including but not limited to, the design, manufacturing, selection, delivery, possession, storage, use, operation or disposition of the Goods. Seller's entire liability for Goods is limited as set forth in paragraph 9 above.

11. PATENTS

Buyer shall indemnify Seller against liability, loss, damage or expense in any instance involving alleged violation of patent rights relating to Buyer's specifications and/or the Goods resulting from those specifications. Buyer shall bear the full burden for all liability, loss, damage or expense in any such instance. Such indemnification of Seller against all liability, loss, damage or expense pursuant to this provision shall

include, but is not limited to, litigation expenses, reasonable attorney's fees, and damages awarded under an adverse judgment or established by way of compromise settlement where both Buyer and Seller have notice of and consent to such compromise settlement.

12. CHANGES

Changes in the work to be performed under the Contract may be made only if Buyer submits written instructions for such changes and if Seller accepts those changes in writing. If any such approved changes in drawings, materials, quantities, dates of performance or design of the part, units, tools, or fixtures, in Seller's sole judgment, increase Seller's costs, Seller may condition approval of any such change on agreement by Buyer to a price increase to recoup such cost increase, plus a reasonable return.

13. CANCELLATION/RESCHEDULE OF PURCHASE ORDERS

- A. In the event of any cancellation of all or part of any purchase order by Buyer, Buyer agrees to pay Seller for all reasonable and allocable materials, material management, labor, overhead and general and administrative costs and expenses incurred as a result of any such cancellation, plus a reasonable profit hereby stipulated to be ten percent (10%) of such costs and expenses within thirty (30) days from the date of Seller's invoice setting forth such costs and expenses. By way of illustration and not limitation, Seller's costs incurred by reason of Buyer's cancellation may include the storage costs for the items to be purchased, and costs associated with relocating the production to an alternate source, as well as the costs of unreimbursed and/or unamortized research and development costs, capital equipment, and other property and supplies of Seller needed to produce and which are unique to the Goods.
- B. In the event of such cancellation and upon receipt of payment as described above, all completed Goods, assemblies in process, components and any tooling, and equipment owned by Buyer and furnished to Seller under this Contract shall be returned to Buyer in accordance with instructions specified by Buyer.
- C. In the event of any cancellation, inventory carrying charges will be assessed at a rate of \$20 per pallet/day on the inventory stored until the relevant inventory is disposed of and paid for by Buyer.
- D. In the event of any reschedule of delivery of Goods by Buyer the Buyer will be responsible for applicable storage fees for partially produced and fully finished goods. Grand Rapids Chair will hold an order at no

charge for a maximum of 14 calendar days. Any order held more than 14 days after the original ship date will be subject to a charge of \$20 per pallet/day.

14. DISCLOSURE AND USE OF INFORMATION

All non-public, confidential or proprietary information of Seller, including but not limited to specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts or rebates, disclosed by Seller to Buyer, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential" in connection with the Contract is confidential and proprietary, solely for the use of performing the Contract and may not be disclosed or copied unless authorized in advance by Seller in writing. Upon Seller's request, Buyer shall promptly return all documents and other materials received from Seller. Seller shall be entitled to injunctive relief for any violation of this Section. Any information owned or developed by Seller, including but not limited to, patents, trademarks, copyrights, know-how and proprietary information, and used for the supply of Goods under this Contract shall remain the sole and exclusive property of Seller. Except as authorized in writing by and on terms acceptable to Seller, Buyer shall have no right to disclose any technical information to any third party or to have any third party make any Goods that use the technical information owned by Seller.

15. MATERIAL PRICE INCREASES

Seller's price quotation shall be subject to pricing of raw materials or other commodities used in the manufacture of Goods as described to Buyer. If any such price shall increase by more than five percent (5%) during the term of the Contract, then the quoted price shall be adjusted on the last day of each month thereafter to reflect the full amount of any such price increase.

16. GOVERNING LAW AND FORUM

The formation and performance of the Contract shall be governed by the Uniform Commercial Code, as adopted in the state of Michigan. Any action for breach of the Contract, including any breach of warranty, must be commenced within one (1) year after the cause of action has accrued. This Contract shall not be subject to or governed by the United Nations Convention on Contracts for the International Sale of Goods. Any legal or equitable actions arising out of or relating to this Contract or any other Contract between the parties, shall be brought only in the United States District Court for the Western District of Michigan, or in the district or circuit

courts of Kent County, Michigan. Seller and Buyer agree that such court shall have *in personam* jurisdiction over them.

17. TAXES

Unless the Contract provides otherwise, sales, use, occupation, excise and other taxes upon the production, sale or use of the Goods are not included in the price and such taxes or any costs in connection therewith, wherever levied and whether imposed before or after payment of invoice, shall be paid by Buyer.

18. MINIMUM PURCHASE REQUIREMENTS

Buyer hereby acknowledges and agrees that the prices set forth in this Contract are contingent upon Buyer's agreement to purchase the total quantities set forth in the Buyer's request for quote/proposal. If Buyer fails to purchase at least ninety percent (90%) of the quantities of Goods contained in its request for quote/proposal, Buyer agrees that the pricing on the Goods delivered to Buyer shall be adjusted retroactively to reflect the impact of lower volume on material pricing, labor efficiencies and other cost and expenses of Seller. Buyer hereby agrees to pay Seller such additional sums within thirty (30) days of the date of Seller's invoice for payment.

19. ASSIGNMENT AND DELEGATION

No right or interest in this Contract shall be delegated or assigned by Buyer without the prior written permission of Seller. Any attempt at assignment or delegation shall be void unless made in conformity with this paragraph. Buyer represents and warrants to Seller that any assignee of Buyer's rights under this Contract shall be in a financial condition and otherwise able to perform all of Buyer's obligations here under. No assignment of this Contract shall relieve Buyer of its liability under this Contract.

20. COMPLIANCE WITH LAW

Buyer shall comply with all applicable laws, regulations and ordinances. Buyer shall maintain in effect all the licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under the Contract.

21. WAIVER

No waiver by Seller of any of the provisions of the Contract is effective unless explicitly set forth in writing and signed by Seller. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from the Contract operates, or may be construed, as a waiver thereof. No single or partial exercise of any right, remedy, power or privilege hereunder precludes any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

22. FORCE MAJEURE

The Seller shall not be liable or responsible to Buyer, nor be deemed to have defaulted or breached the Contract, for any failure or delay in fulfilling or performing any term of the Contract when and to the extent such failure or delay is caused by or results from acts or circumstances beyond the reasonable control of Seller including, without limitation, acts of God, flood, fire, earthquake, explosion, governmental actions, war, invasion or hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest, national emergency, revolution, insurrection, epidemic, lockouts, strikes or other labor disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, materials or telecommunication breakdown or power outage.

23. RELATIONSHIP OF THE PARTIES

The relationship between the parties is that of independent contractors. Nothing contained in the Contract shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.

24. NO THIRD-PARTY BENEFICIARIES

The Contract is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of these Terms.

25. SEVERABILITY

If any term or provision of the Contract is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of the Contract or invalidate or render unenforceable such term or provision in any other jurisdiction.

26. SURVIVAL

Provisions of these terms which by their nature should apply beyond their terms will remain in force after any termination or expiration of the Contract.

- If the goods are made according to the Buyer's specifications, Seller does not warrant adequacy of such specifications or that the goods will perform in accordance with such specifications.

III. PROVISIONS APPLICABLE TO ALL SELLER PRODUCTS AND SERVICES

WHAT IS NOT COVERED BY WARRANTY

- I. No warranty is made as to the selection, aesthetics, colorfastness, wear, or aging capability of fabrics, fabric treatments, finishes, or filling materials, including, but not limited to fillers such as foam/poly, cotton, and cardboard. Rusting of cast iron is not covered by warranty.
- II. Wood has a unique and naturally occurring pattern that can vary greatly. Due to the complex structure of wood, small knots, piths, pores, rings, etc. may appear and add decorative appeal. Variation in finish color due to organic variation in wood is not covered and is expected to occur.
- III. Flipping a chair on the top of a table will cause damage to the structural integrity and finish of both products and will accelerate the wear and tear of the table top finish and seat finish. Damage caused by flipping chairs on tables is not covered under the warranty.
- IV. "Stacking" items are susceptible to more wear and tear due to constant stacking; the warranty does not cover seat finish wear due to stacking or scratches/chips in powder coat finish where the legs meet during the stacking process.
- V. Solid wood and laminate table tops must be stored and used in indoor environments with relative humidity in the range of 35% to 50%. Exposure to relative humidity outside this range will cause the product to warp, check, or crack, resulting in loss of warranty coverage.
- VI. Charges for shipping, handling, installation, or disposal of defective units and/or replacement units unless approved in writing by Seller.
- VII. These warranties will not extend to ordinary wear and tear or goods subjected to misuse, abuse, neglect, damage, improper transportation, improper storage, improper cleaning, accident or improper installation or maintenance or which have been altered or repaired by anyone other than Seller or its authorized representative.

WHO BENEFITS FROM WARRANTY?

- I. If you purchase a product directly from the Seller or an authorized dealer (i.e. submit a purchase order, receive an acknowledgment for that order and pay the Seller for the goods received according to the terms of the invoice) for your own use, then you are the Buyer, and you will receive benefits of any applicable warranty described in this document. Only original buyers benefit from this warranty; the warranty is non-transferable.

ADDITIONAL INFORMATION

- I. Any warranty will begin on the date of shipment to the Buyer, subject to the conditions and limitations noted in this document.
- II. At the Buyer's request the Seller will attempt to match color during any repair or replacement, as long as a sample "product to match" has been shipped to the Seller at the expense of the Buyer. For various technical reasons related to color degradation in UV light and variations arising from the differences in lighting standards at different locations, the Seller does not guarantee that finishes will match.
- III. In the event a Buyer would like to match a previous order to a new order, the Buyer must send a physical sample to their Account Manager. Due to continual engineering improvements and modifications, we cannot guarantee each good will be an exact match to their previous order. Seller reserves the right to make changes in design and construction or discontinue products without prior notification.
- IV. In the event that a product or component is no longer available for any reasons or we have discontinued a particular material, part, or product, then the Seller will have no liability due to the inability to replace any unavailable part. The Seller's sole responsibility will be to offer an alternative part of reasonably similar performance or in its sole discretion refund the purchase price.
- V. Repairs and replacements do not extend any product warranty. In the event of any authorized repairs, the warranty term remains the order original day of shipment.
- VI. Due to the use of natural materials (wood, steel) and craftsmanship in our products, normal variations may occur from piece to piece. This warranty does not cover such differences, nor are variations from printed or digital images covered.
